

Voya Infrastructure, Industrials and Materials Fund Declares Quarterly Distribution

SCOTTSDALE, Ariz., March 15, 2016 -- Voya Investment Management, the asset management business of Voya Financial, Inc. (NYSE: VOYA), announced the quarterly distribution on the common shares of one of its closed-end funds: Voya Infrastructure, Industrials and Materials Fund (NYSE: IDE) (the “Fund”).

With respect to the Fund, the distribution will be paid on April 15, 2016, to shareholders of record on April 5, 2016. The ex-dividend date is April 1, 2016. The distribution per share for the Fund is \$0.365.

The Fund intends to make regular quarterly distributions based on the past and projected performance of the Fund. The amount of quarterly distributions may vary, depending on a number of factors. As portfolio and market conditions change, the rate of distributions on the common shares may change. There can be no assurance that a Fund will be able to declare a distribution in each period. Past performance is no guarantee of future results.

The following information is required under the Fund’s managed distribution policy and sets forth an estimate of the sources of the Fund’s distribution paid January 15, 2016 and distributions paid fiscal year-to-date. Amounts are expressed on a per common share basis and as a percentage of the distribution amount.

¹ The Fund’s fiscal year is March 1, 2015 to February 29, 2016.

IMPORTANT DISCLOSURE: You should not draw any conclusions about the Fund’s investment performance from the amount of this distribution or from the terms of the Fund’s Plan. The Fund estimates that it has distributed more than its income and net realized capital gains; therefore, a portion of your distribution may be a return of capital. A return of capital may occur, for example, when some or all of the money that you invested in the Fund is paid back to you. A return of capital distribution does not necessarily reflect the Fund’s investment performance and should not be confused with ‘yield’ or ‘income.’ The amounts and sources of distributions reported in this Press Release are only estimates and are not being provided for tax reporting purposes. The actual amounts and sources of the amounts for tax reporting purposes will depend upon the Fund’s investment experience during the remainder of its fiscal year and may be subject to changes based on tax regulations. The Fund will send you a Form 1099-DIV for the calendar year that will tell you how to report these distributions for federal income tax purposes.

Set forth in the table below is information relating to the Fund’s performance based on its net asset value (NAV) for certain periods.

Past performance is no guarantee of future results. The performance quoted represents past performance. Investment return and principal value of an investment will fluctuate, and shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than the performance data quoted.

Shares of closed-end funds often trade at a discount from their net asset value. The market price of Fund shares may vary from net asset value based on factors affecting the supply and demand for shares, such as Fund distribution rates relative to similar investments, investors' expectations for future distribution changes, the clarity of the Fund's investment strategy and future return expectations, and investors' confidence in the underlying markets in which the Fund invests. Fund shares are subject to investment risk, including possible loss of principal invested. No Fund is a complete investment program and you may lose money investing in a Fund. An investment in a Fund may not be appropriate for all investors. Before investing, prospective investors should consider carefully the Fund's investment objective, risks, charges and expenses.

Certain statements made on behalf of the Fund in this release are forward-looking statements. The Fund's actual future results may differ significantly from those anticipated in any forward-looking statements due to numerous factors, including but not limited to a decline in value in equity markets in general or the Fund's investments specifically. Neither the Fund nor Voya Investment Management undertake any responsibility to update publicly or revise any forward-looking statement.
